ABSTRACTS

Author Index 9

Trade Name and Company Index 11

Key to Abstracts 12

Key to page numbers:

No. 560 1/94	pp 1-62	No. 561 2/94	pp 63-113
No. 562 3/94	pp 114-166	No. 563 4/94	pp 167-213

General Notes. (1) Individuals, societies and institutions appear in the first part of both the Review Index and the Abstracts Index, while commercial companies and trade names are listed in the second part. (2) Lists of new patents are not included. (3) Patentees from patent abstracts are indicated by an asterisk. (4) Abbreviated words, *eg* St for Saint, Mc for Mac, appear in the alphabetical order of the full version. (5) Numbers given are abstract numbers; in order to locate in which issue a given abstract may be found, a key is appended on pp 12-13. (6) Abstract numbers in brackets are of 'internal' references, *ie* they are not authors of the articles or patents, but are referred to in the text.
